

NEWS RELEASE

FIREBIRD ENERGY INC. COMPLETES ACQUISITION OF THUNDERBIRD BIOMEDICAL INC.

September 5, 2014 (FRD – TSXV) ... Firebird Energy Inc. (“Firebird” or “the Company”) is pleased to announce that it has completed the acquisition of all of the issued and outstanding common shares of Thunderbird Biomedical Inc. (“**Thunderbird**”), a private Victoria-based company involved in the production of medical marijuana. Pursuant to a share exchange agreement made July 30, 2014, previously announced July 30, 2014, Firebird acquired all of the issued and outstanding shares of Thunderbird in consideration for three Firebird shares for each common share of Thunderbird. Under these terms, Firebird issued 35,329,014 common shares to complete the acquisition.

The acquisition was approved by the Firebird shareholders by a consent resolution of more than 50% of the Firebird shareholders. The transaction constitutes a reverse takeover (an “**RTO**”) under the rules of the TSX Venture Exchange. Full details of the RTO are set out in the Filing Statement of the Company dated August 29, 2014, which is available under the Company’s profile on SEDAR at www.sedar.com.

Consolidation and Name Change

Concurrent with the completion of the RTO transaction, the Company effected a consolidation of its share capital, on a 15 (old) for 1 (new) basis, and changed its name to T-Bird Pharma Inc. The current board of the Company resigned. The new board is comprised of David Raffa, Robert Gagnon, Chris Taylor, Frank Barr and Essam Hamza.

Private Placement

Concurrent with the completion of the RTO, the Company undertook a private placement of 7,500,000 post-consolidation units at \$0.40 per unit, for gross proceeds of \$3 million. The private placement was previously announced July 30, 2014. Each unit is comprised of one common share and one-half of a share purchase warrant. Each whole warrant is exercisable for an additional common share at a price of \$0.80 for one year, provided that if the volume weighted average trading price is greater than \$1.20 for 10 consecutive trading days at any time after four months and one day after closing the Company may, upon giving notice to the warrant holder, shorten the expiry date of the warrants to 30 days from the date of notice.. The common shares issued under the private placement are subject to a four month hold period, expiring January 5, 2015. Richardson GMP Ltd. acted as the Company’s broker for the private placement financing and was paid a commission equal to 7% of the gross proceeds plus an aggregate of 525,000 warrants entitling the agent to acquire 525,000 common shares at a price of \$0.40 per share for one year.

About Thunderbird

Thunderbird is a British Columbia private company incorporated under the BCBCA on January 28, 2013. The principal activities of Thunderbird are the production of marijuana from its Victoria, British Columbia production facility, as regulated by the *Marihuana for Medical Purposes Regulations* (Canada). Thunderbird obtained a medical marijuana license to undertake the production of medical marijuana in February 2014, being the fifth company in Canada to obtain such a license.

ON BEHALF OF THE BOARD

“Robert Gagnon”

President and CEO
