

T-Bird Pharma Inc. Announces Health Canada Submission for Second Production Facility

VICTORIA, BC, April 10, 2015 /CNW/ - **T-Bird Pharma Inc. (TSXV:TPI)** ("**T-Bird**" or the "**Company**"), a pharmaceutical company focused on developing premium quality medical marijuana products and a licensed producer ("LP") to cultivate marijuana under the Marihuana for Medical Purposes Regulations (Canada) ("MMPR"), is pleased to announce that it has submitted an application to Health Canada for a second medical marijuana production facility in Victoria, BC.

The leased facility has 28,966 square feet of floor space with the option to add approximately 14,500 square feet of mezzanine space for a total of approximately 43,500 square feet and when fully built out will have an annual production capacity in excess of 2,000 kilograms. Building permits for the leasehold upgrades required to the facility have been obtained from the City of Victoria and the current municipal zoning allows for a medical marijuana production facility.

"As a part of our growth strategy we are excited to be moving forward with our second facility and utilizing the valuable knowledge and experience gathered from bringing our existing licensed facility online. Our team has developed scalable and more importantly Health Canada compliant Security, Quality Assurance and IT systems that will be implemented at the second facility," said Dr. Bin Huang, CEO of T-Bird.

About T-Bird and Thunderbird

T-Bird Pharma Inc. is the parent company of Thunderbird Biomedical Inc., a wholly owned private subsidiary formed in January, 2013. The principal activities of Thunderbird are the production of marijuana from its Victoria, British Columbia production facility, as regulated by the Marihuana for Medical Purposes Regulations (Canada). Thunderbird obtained a medical marijuana license to undertake the production of medical marijuana in February 2014, being the fifth company in Canada to obtain such a license. Thunderbird was acquired by T-Bird in September, 2013.
