

T-Bird Pharma Inc. Announces License Renewal from Health Canada

VICTORIA, BC, February 10, 2015 /CNW/ - **T-Bird Pharma Inc. (TSXV:TPI) ("T-Bird" or the "Company")**, a pharmaceutical company focused on developing premium quality medical marijuana products and a licensed producer ("LP") under the Marihuana for Medical Purposes Regulations (Canada) ("MMPR"), wishes to announce that its wholly owned subsidiary Thunderbird Biomedical Inc. has received a notice from Health Canada dated February 6, 2015 confirming the renewal of its production license at the Company's production facility in Saanich, British Columbia.

"We are very pleased about the successful renewal of our production license. We are also confident that we will be securing a sales license in the near future and we are looking forward to providing the highest quality medicinal marijuana to Canadian patients. Additionally, I am proud of our team's efforts within the highly regulated MMPR, which includes completing multiple extensive Health Canada inspections resulting in Thunderbird Biomedical Inc. successfully securing this Health Canada license renewal." Said Dr. Bin Huang, President and CEO of T-Bird Pharma Inc. "2015 will be a very exciting year for Thunderbird Biomedical as we begin to expand our operations. We look forward to providing additional updates over the coming months."

About T-Bird and Thunderbird

T-Bird Pharma Inc. is the parent company of Thunderbird Biomedical Inc., a wholly owned private subsidiary formed in January, 2013. The principal activities of Thunderbird are the production of marijuana from its Victoria, British Columbia production facility, as regulated by the Marihuana for Medical Purposes Regulations (Canada). Thunderbird obtained a medical marijuana license to undertake the production of medical marijuana in February 2014, being the fifth company in Canada to obtain such a license. Thunderbird was acquired by T-Bird in September, 2013.

ON BEHALF OF THE BOARD

Cautionary Statements Regarding Forward Looking Information

Certain statements in this press release constitute forward-looking statements, within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations or beliefs of future performance, are "forward-looking statements".

We caution you that such "forward-looking statements" involve known and unknown risks and uncertainties that could cause actual and future events to differ materially from those anticipated in such statements.

Forward-looking statements include, but are not limited to, statements with respect to commercial operations, including production and sales of medical marijuana, anticipated revenues, projected size of market, quantities of future medical marijuana production, completion of production facilities and other information that is based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management.

T-Bird Pharma Inc. (the "**Company**") does not intend, and does not assume any obligation, to update these forward-looking statements except as required by law. These forward-looking statements involve risks and uncertainties relating to, among other things, results of production and sale activities, the Company's historical experience with medical marijuana operations, uninsured risks, regulatory changes, availability of production facilities, timeliness of government approvals and the granting of permits and licenses, changes in prices, actual operating and financial performance of facilities, equipment and processes relative to specifications and expectations. Actual results may differ materially from those expressed or implied by such forward-looking statements.
