#### **Cautionary Statements Regarding Forward Looking Information**

*Certain statements in this press release constitute forward-looking statements, within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations or beliefs of future performance, are "forward-looking statements".*

*We caution you that such "forward-looking statements" involve known and unknown risks and uncertainties that could cause actual and future events to differ materially from those anticipated in such statements.*

*Forward-looking statements include, but are not limited to, statements with respect to legalization of non-therapeutic cannabis sales in Canada; participation in the legalized non-therapeutic cannabis industry; growth in the extract-based market; increased production of cannabis; commercial operations; construction or conversion of production facilities; applications for licensing; obtaining such licenses; commencement of production of cannabis at the Company's facilities; estimates of production capacity at such facilities; contributions of cash to the JV; international opportunities for the Company; commencement of clinical trials; the Company becoming a leading Canadian supplier of cannabis products; expected timing of any of the above matters; and other information that is based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management.*

*Emerald Health Therapeutics Inc. does not intend, and does not assume any obligation, to update these forward-looking statements except as required by law. These forward-looking statements involve risks and uncertainties relating to, among other things, failure of the federal government to approve legislation legalizing sales of non-therapeutic adult-use cannabis; failure to obtain Health Canada and other regulatory approvals; failure to obtain necessary financing; results of production and sale activities; the Company's historical experience with medical marijuana operations; results of scientific research; uninsured risks; regulatory changes; difficulties in construction or in obtaining qualified contractors to complete construction or conversion of facilities; availability of production facilities; timeliness of government approvals and the granting of permits and licenses; changes in prices and costs; actual operating and financial performance of facilities; equipment and processes relative to specifications and expectations; as well as the other risk factors set out in the Company's annual information form and other filing with the applicable Canadian securities regulators, which may be viewed at [www.sedar.com](http://www.sedar.com). Actual results may differ materially from those expressed or implied by such forward-looking statements.*
