Join us on our journey of making lives better through cannabis science.

Emerald Health Therapeutics Inc.

Emerald Health Therapeutics, Inc. (TSXV: EMH; OCTQX:EMHTF) operates primarily through Emerald Health Botanicals Inc. ("Botanicals"), a wholly owned subsidiary of the Company and a Licensed Producer under the Access to Cannabis for Medical Purposes Regulations (the "ACMPR"). Botanicals is authorized to produce and sell both dried medical cannabis flowers and medical cannabis oils in Canada. Botanicals currently operates an indoor facility in Victoria, British Columbia, with plans for expansion on a 32-acre property in Metro Vancouver and a joint venture with Village Farms utilizing a 25 acre existing greenhouse complex in Delta, BC. Botanicals is one of Canada's most medically focused licensed producers, with a team of highly qualified management experienced in life sciences drug development and large-scale agribusiness. Emerald's vision is to be a leading provider of cannabis products through its production capabilities, proprietary genetics and intellectual property, value-added products and branding, and superb customer experience. Emerald is part of the Emerald Health family of companies which is seeking to enhance health and well-being through diverse investments that advance the development of cannabis for pharmaceutical, botanical and bioceutical applications.
