About Emerald Health Therapeutics, Inc.

Emerald Health Therapeutics (TSXV: EMH; OTCQX: EMHTF; Frankfurt: TBD) is licensed in Canada to produce and sell dried cannabis and cannabis oil for medical purposes. Emerald is preparing to serve the fully legalized Canadian adult-use cannabis market starting October 17, 2018. Emerald owns 50% of Pure Sunfarms, which is converting a licensed existing 1.1 million square foot greenhouse in Delta, BC and is now in commercial production. It owns Agro-Biotech, a Québec-based licensed cannabis grower with a 75,000 square foot indoor facility and is planning to add a 500,000 square foot greenhouse in Metro Vancouver. Emerald’s team is highly experienced in life sciences, product development, large-scale agri-business, and marketing, and is focused on developing value-added cannabis-based products with potential wellness and medical benefits. Emerald is part of the [Emerald Health group](#), which is broadly focused on developing pharmaceutical, botanical, and nutraceutical products that may provide wellness and medical benefits by interacting with the human body’s endocannabinoid system.

Cautionary Note Regarding Forward-Looking Statements: Certain statements made in this press release that are not historical facts are forward-looking statements and are subject to important risks, uncertainties and assumptions, both general and specific, which give rise to the possibility that actual results or events could differ materially from our expectations expressed in or implied by such forward-looking statements. Such statements include legalization of nonmedicinal cannabis; production capacity of various facilities; expansion of facilities; and anticipated production costs.

We cannot guarantee that any forward-looking statement will materialize, and readers are cautioned not to place undue reliance on these forward-looking statements. These forward-looking statements involve risks and uncertainties related to, among other things, failure to obtain regulatory approvals; failure to obtain necessary financing; results of production and sale activities; results of scientific research; regulatory changes; changes in prices and costs of inputs; demand for labour; demand for products; as well as the risk factors described in the Company's annual information form and other regulatory filings. The forward-looking statements contained in this press release represent our expectations as of the date hereof. Forward-looking statements are presented for the purpose of providing information about management's current expectations and plans and allowing investors and others to obtain a better understanding of our anticipated operating environment. Readers are cautioned that such information may not be appropriate for other purposes. The Company undertakes no obligations to update or revise such statements to reflect new circumstances or unanticipated events as they occur, unless required by applicable law.
