

Emerald Health Therapeutics Provides Bi-weekly MCTO Status Update

VANCOUVER, BC, June 16, 2022– Emerald Health Therapeutics, Inc. ("Emerald" or the "Company") (CSE: EMH; OTCQX: EMHTF) is providing a default status report in accordance with the alternative information guidelines set out in National Policy 12-203 – *Management Cease Trade Orders* ("NP 12-203").

On April 28, 2022, the Company announced that it had applied for a management cease trade order (an "MCTO") with the British Columbia Securities Commission on the basis that the Company would be unable to file its annual financial statements and management discussion and analysis for the year ended December 31, 2021 (collectively, the "Annual Filings") by the applicable filing deadline (the "Original Announcement"). The MCTO was issued on May 3, 2022, and restricts all trading in securities of the Company, whether direct or indirect, by certain insiders of the Company.

The Company previously announced that it anticipated the Annual Filings would be completed by June 13, 2022. Despite the Company's best efforts, the Annual Filings have not been completed and the Company is now diligently working towards completing the Annual Filings by June 30, 2022. In accordance with the terms of the MCTO, the Company is also required to file its interim financial statements for the period ended March 31, 2022, no later than five business days after completion of the Annual Filings.

The Company confirms that since the date of the Original Announcement: (i) other than stated above with respect to the anticipated completion date of the Annual Filings, there has been no material change to the information set out in the Original Announcement; (ii) there has been no failure by the Company in fulfilling its stated intentions with respect to satisfying the provisions of the alternative information guidelines set out in NP 12-203; (iii) there has not been any other specified default by the Company under NP 12-203; and (iv) there is no material information concerning the affairs of the Company that has not been generally disclosed.

The Company confirms that it will continue to satisfy the provisions of the alternative information guidelines set out in NP 12-203 so long as it remains in default of the requirement to file the Annual Filings.
