Key Activities

Through the second quarter of 2022 the Company continued to execute on its transition from the recreational and medical cannabis business to pharmaceutical development, as announced on November 29, 2021.

Proposed plan of arrangement

Subsequent to the reporting period, on August 19, 2022, the shareholders of Emerald approved the Plan of Arrangement ("Arrangement") with Skye Bioscience, with 87.07% in favour out of votes cast by shareholders for that resolution.

On August 25, 2022, the Supreme Court of British Columbia issued a final order approving the plan of arrangement with Skye and declaring that the arrangement was procedurally and substantively fair and reasonable.

Completion of the Arrangement remains subject to approval by the shareholders of Skye, which is expected to be obtained at a meeting of Skye shareholders to be held no later than October 4, 2022. Upon receiving Skye shareholder approval, the transaction is expected to close prior to October 15, 2022, subject to Skye obtaining listing approval from the CSE and satisfaction of other customary conditions.

Discontinuation of prior operations

At its Victoria, BC operation, the lease on one of the Company's two facilities expired on February 28, 2022, and the lease on the other facility expired on May 31, 2022. The Company fully wound down all operations at the Victoria facilities as of June 1, 2022. The Company continued to rent both facilities on a month-to-month basis to maintain its Health Canada license, issued under the Cannabis Act to permit the production and sale of cannabis products, as an asset to be sold.

At its St. Eustache, QC operation, growing and processing of cannabis continued until June 30, 2022. In the first quarter of 2022, the Company retained agents to assist in the sale of the cannabis production operation as a continuing operation. The Company has not yet entered into a binding sale agreement with respect to this facility and the sale process is ongoing.

Throughout the discontinuation process, the Company retained its cannabis sales agreements with the various provinces and continued to sell newly produced and inventoried cannabis dried flower and oils at a reduced volume until June 30, 2022.

On April 14, 2022, the Company entered into an agreement with the landlord for its Metro Vancouver greenhouse facility under which the lease obligation related to the facility, which extended to 2047, would be terminated effective December 31, 2022, in exchange for transfer to the landlord of the non-leased equipment and greenhouses owned by the Company at the site. The Company also has an option to terminate the lease prior to December 31, 2022.

On April 28, 2022, the Company entered into an amended agreement with FlowerPod LLC for the sale of certain patents held by the Company, amending the December 28, 2021, binding term sheet payment schedule from a payment on closing of US\$1M and a promissory note of US\$500K due on the anniversary of the closing bearing an interest rate of 10% per annum to US\$750K on closing and a US\$750K promissory note due on the anniversary of the closing bearing 10% interest per annum. The Company continues to retain the two-year interest-bearing promissory note issued by FlowerPod on May 6, 2021, in the amount of US\$350K.
